Key Pointers for Students on ITE's Joint Intake Exercise (JIE)

ALL students in N(T) and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.
Those who were unsuccessful in EAE are also eligible for JIE.

Apply in the 1st JIE main phase in December.

Use all 12 JIE choices wisely, as competition for 3-year Higher Nitec courses is keen!

Do consult your teachers / ECG counsellors to help you make your choices!

Do use the Last Aggregate Score (LAS) published in ITE's admission portal to help you make your course choices.

You are eligible for Enhanced Foundation Programme (EFP) if you receive an invitation letter to the EFP addressed to you and a copy of invitation letter for your parent/guardian.

If you are eligible for EFP, make sure you apply for both the 4-Year and 3-Year Higher Nitec Course.

The EFP helps to build the necessary literacy and numeracy foundations!

If you are counter-offered a course, accept it first to secure a place in ITE, before appealing for another course you may be more interested in!

Concerned about your next steps?

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for help is a sign of strength, not weakness.

If you have any questions about your options or are not coping well, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, ECG Counsellor, School Counsellor or a friend that you can talk to.
